

PRODUCT INFORMATION SHEET

Philips 1000 V profiled screwdrivers

Product description

1000 V screwdrivers certified for working on live electrical wires. Designed for screwing in screws and spring-loaded elements. Screwdrivers with reduced tip diameter (by more than 20%). The insulation goes all the way to the end of the tip, which is ideal when working in tight and deep holes.

Characteristics

- Compliant with EN 60900;
- VDE 1000 V certificate;
- Made of high-quality chromium-molybdenum steel, which offers additional protection of the tool against corrosion;
- Durable, resistant to deformation and damage;
- Insulated and magnetic tip, which enhances precision and comfort of use;
